The 2022 designees are U.S. private companies that have demonstrated excellence in strategic planning and execution, a commitment to their people and fostering a dynamic, resilient culture, as well as strong financials. This year's designees continued to propel their businesses forward by prioritizing purpose, investing in their workforces, and demonstrating their commitment to diversity, equity and inclusion.

They join a global ecosystem of honorees from more than 40 countries recognized by the Best Managed Companies program.
