The Grove Apartments Celebrates Grand Re-Opening

Battle Creek, MI, July 15, 2026 – The Grove Apartments recently celebrated its grand re-opening with a ribbon-cutting ceremony, commemorating the community's transformation through extensive renovations, new management, and a renewed commitment to providing an exceptional living experience for Battle Creek residents.

Formerly known as The Arbors of Battle Creek, the community has been reintroduced as **The Grove Apartments**, reflecting a fresh identity and an exciting new chapter. Residents, local officials, business leaders, and community partners gathered to celebrate the occasion, including representatives from the City of Battle Creek, the Battle Creek Police Department, and the Battle Creek Area Chamber of Commerce.

"We're excited to officially introduce The Grove Apartments to the Battle Creek community," said Sarah Oglesby-Battle, President of Operations at Beztak. "This transformation represents much more than a new name. Our goal is to create a place where people feel proud to live and where they can enjoy a quality living experience for years to come."

Guests participated in a ceremonial ribbon cutting before touring the property and learning more about the ongoing improvements planned for the community.

The re-grand opening reflects the property's ongoing evolution under Beztak's award-winning management, with continued investments planned to elevate the resident experience through upgraded community spaces, new fitness center, and apartment finishes.

"At Read Property Group we have one priority that guides every decision we make - our residents," said Eli Feller, of Read Property Group, owners of The Grove. "We've partnered with Beztak, as they share our passion for professionalism and customer service. Beztak's team brings decades of experience in professional white glove management, treating residents with respect, responsiveness, and doing things the right way."

Located in the heart of Battle Creek, The Grove Apartments offers thoughtfully designed apartment homes with convenient access to local employers, shopping, dining, recreation, and major transportation routes.
